Turmeric Powder

E a r t h y · G o l d e n · E v e r y d a y

Product	Turmeric Powder
Description	Golden-yellow powder from Curcuma longa roots.
Key Nutritional/Functional Traits	• Antioxidant & anti-inflammatory • Distinct earthy aroma & bitter flavor
Packaging	• 100gm sachets • Net weight: 6kg (100gm*5sachets*12strips)
Trade and Technical Specs	• Moisture ≤10% • ash ≤8% • acid insoluble ash ≤1.5% • High curcuminoid content (2-3%)
Shelf Life	~24 months under dry storage

1. **Health-driven demand:** Rising awareness of anti-inflammatory and immunity-boosting properties.

2. **Agri processing advantage:** Steam sterilization guarantee purity.

3. **Market opportunity:** Positioning in wellness, functional foods, and herbal supplements.

4. **Value addition:** Potential for turmeric teas, capsules, and fortified foods.

Ginger Powder

Warm · Aromatic · Versatile

Product	Ginger Powder
Description	Ground from sun-dried Nigerian ginger roots.
Key Nutritional/Functional Traits	• High gingerol & oleoresin content • Anti-inflammatory & antioxidant properties • Pungent aroma, pale-yellow hue
Packaging	• 100gm sachets • Net weight: 6kg (100gm*5sachets*12strips)
Trade Specs	• Moisture ≤12%, volatile oil ≥1.5%
Shelf Life	~24 months under dry storage

1. **Dual-use product:** Popular in both culinary and herbal medicine applications.
2. **Agri processing strength:** Essential oil content (≥1%) preserved through hygienic processing.
3. **Market opportunity:** Growing demand in beverage industry (ginger drinks, teas).
4. **Value addition:** Expansion into nutraceuticals and wellness products

Hot Peppe Powder

Warm · Aromatic · Versatile

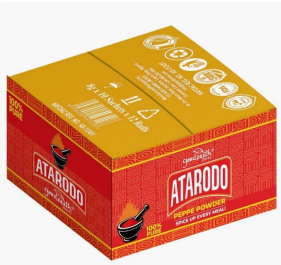

Product	Hot Pepper Powder
Description	Bold, fiery chili powder made from high-quality red chilies.
Key Nutritional/Functional Traits	• Pure & natural, no additives • Rich in antioxidants • High pungency & vibrant red color
Packaging	5g/100gm sachets Net weight: 600gms (5gm*10sachets*12strips) 6kg (100gm*5sachets*12strips)
Trade Specs	• ASTA 40-55, Scoville 55,000–60,000 SHU.
Shelf Life	~24 months under dry storage

1. **Mass-market staple:** Widely consumed across Nigeria, essential in everyday cooking.
2. **Agri processing strength:** Heat, color, granulation and quality consistency with Steam sterilization available.
3. **Market opportunity:** Affordable sachets (100g, 5g) penetrate rural and low-income segments.
4. **Value addition:** Potential for seasoning blends and ready-to-use spice packs

Atarodo Peppe Powder

W a r m · A r o m a t i c · V e r s a t i l e

Product	Atarodo Pepper Powder
Description	Nigerian chili (atarodo) finely blended for bold heat.
Key Nutritional/Functional Traits	• Capsaicin content boosts metabolism • Rich in Vitamin C & antioxidants • Enhances flavor & color in meals
